Kick it with boots for less

Sisters Ann Siner and Tess Loo of the Valley's popular My Sister's Closet Valley consignment stores say over-the-knee boots are here through winter.

If the style's too extreme, try a thigh-high tight or knee sock paired with a platform oxford.

These Stuart Weitzman bronze-leather, over-the-knee beauties retailed for \$675, but they're \$165 at My Sister's Closet.

The Marc Jacobs black knee-high platform boots are \$145, and the Cynthia Vincent gold-metallic boots (originally \$495) are \$125.
